SYNOPSIS

You know the classic murder mystery story. There's been an untimely death at a country manor, everyone's a suspect, and an inspector is set on the case to find the culprit. However, when this play is performed by the accident-prone thespians of The Cornley Drama Society, everything that can go wrong does! The actors and crew battle against all odds to make it through to the curtain call, with hilarious consequences! From Mischief, the creators of the West End smash *Peter Pan Goes Wrong*, critically acclaimed TV series *The Goes Wrong Show*, and the Tony-winning Broadway hit *The Play That Goes Wrong*, this is the original one-act play which started everything going wrong. Over the course of an hour, expect a plethora of mishaps and disasters. Do you ever find out who murdered Charles Haversham? You'll have to see for yourself!
